

Stretch Raises

<u>N</u>	<u>E</u>	<u>S</u>	<u>W</u>
----------	----------	----------	----------

	1♥	1♠	?
--	----	----	---

Do you have four cards in partner's suit? If so raise one level higher than you would have if there had been no interference.

<u>N</u>	<u>E</u>	<u>S</u>	<u>W</u>
----------	----------	----------	----------

	1♥	1♠	3♥
--	----	----	----

With 6 HCPs and 9 losers, with no interference a raise to 2♥ would

♠	10 8
♥	A 7 6 5
♦	Q 10 9 8
♣	7 6 3

be appropriate. After an overcall raise an extra level, in this case to 3♥ to make life difficult for opponents. Partner must remember to discount the bid.

<u>N</u>	<u>E</u>	<u>S</u>	<u>W</u>
----------	----------	----------	----------

	1♥	X	3♥
--	----	---	----

This also applies when opponents double instead of overcalling.

A new spin to 1NT reply

Holding 6-9HCPs and not four cards in partner's suit?

♥ 7 6 5

♦ Q 10 9 8

♣ 7 6 3

<u>N</u>	<u>E</u>	<u>S</u>	<u>W</u>
	1♥	1♠	1NT

Responding 1NT has a new nuance. It suggests a stop in the overcalled suit.

<u>N</u>	<u>E</u>	<u>S</u>	<u>W</u>
	1♥	1♠	2NT

Responding 2NT has the same nuance. It suggests a stop in

the overcalled suit and a 10-12HCP balanced hand.

♠ A 10 3

♥ K 6 5

♦ Q 10 9 8

♣ K 6 3

No fit, two four-card unbid suits

<u>N</u>	<u>E</u>	<u>S</u>	<u>W</u>
	1♥	1♠	?

Holding 6-9HCPs and the other two suits, double.

♠ A 10
 ♥ 7 6 5
 ♦ Q 10 9 8
 ♣ Q 7 6 3

<u>N</u>	<u>E</u>	<u>S</u>	<u>W</u>
	1♥	1♠	X

Doubling the overcall shows four cards in the two unbid suits, and typically 6-9HCPs.

After a double, no fit, opener's side have 20+

<u>N</u>	<u>E</u>	<u>S</u>	<u>W</u>
	1♥	X	XX

Redoubling the double shows 8+HCPs.

A new suit must have at least five cards

<u>N</u>	<u>E</u>	<u>S</u>	<u>W</u>
	1♦	1♥	?

Change suit at a level appropriate for the hand's strength.

Bidding the Opponents Suit

N E S W

1♥ 1♠ ?

Do you have four cards in partner's suit? Do you have at least 13 HCPs or shape for game? Show suit agreement and strength by bidding

the overcalled suit (Alertable)

N E S W

1♥ 1♠ 2♠

♠ A J

♥ A 7 6 5

♦ Q 10 9 8

♣ Q J 10

Often known as an "Unassuming cue bid", this helps to reach your side's game or slam despite the interference. It is alertable and forcing for one round.

A new suit bid by partner probably shows first round control.

Directional Asking Bids

After more exploration, these bids are used when the opponents have overcalled during the auction, often to find a No Trumps contract.

For example,

<u>N</u>	<u>E</u>	<u>S</u>	<u>W</u>
1♠	2♣	2♦	P
2♥	P	3♣	P
3NT			

South's bid of 3♣ is a directional asking bid, a type of cue bid, recognisable because it is the opponents' suit. South seeks help from North in finding the best contract. It implies little support for either of North's suits, or a need for help in controlling clubs in a possible No Trumps contract. North's response of 3NT implies some control of the club suit, and therefore that 3NT is probably the best contract.
